## Fall Frenzy upcoming schedule:

Nov. 19-23 – Grade 3 Male Identifying Students

Nov. 26-30 – Grade 2 – all students

## Diwali

Thank-you to Ms. Shniad and the leadership students for giving our students a great Diwali experience.

### Christmas Concert:

We have December 12<sup>th</sup> scheduled for our Christmas Concert this year. We will have a 1pm afternoon performance for sure and we also again be sending home a commitment form for families in regards to an evening concert. We would love to hold an evening concert on the 12<sup>th</sup> but cannot do so without parent commitment to send their children in the evening to perform. Please keep an eye out for that commitment form coming home soon as it informs our decision whether or not to hold the evening concert which is an important event for many of our working families.

### Wet Weather:

After spending time focused on learning, it is vital that students get out of their classrooms and get some fresh air and physical activity. We also live on the West Coast in a very wet climate during the fall, winter, and spring months. **Please send your children to school prepared to go outside even if it is raining.** Raincoats with hoods and boots are important tools for these next few months as the only time we will be keeping students in for an inside day is if it is raining heavily. Getting outside is an important part of learning to manage and regulate our behaviour and learning. Thank-you for sending your children to school prepared!

### Ms. Maxwell's trip to Africa:

We are excited to have our staff member back next week but have been thrilled to be a small part of this journey with her. We collectively sent over 120 pairs of shoes, about \$1500, and a play parachute. Here are some of the pictures that she has posted on the Division 5's blog and the link to the blog if you would like to see more:

Thank you, Ms. Maxwell for giving our Clayton community a chance to serve the world.

We have one  
goal: To be a  
kind,  
cooperative  
Cougar Family!!
