### ***Parking, Drop off and Pick up THANK YOU!!!!***

It seems to be going much smoother out there. Teachers are reporting that all our drivers are appearing much more patient and working to follow the rules. AGAIN, THANK YOU!

### ***Covid and our school***

I know it is a worrisome time for all of us. There are new health orders. The rise in Covid case numbers and all the news in the media is concerning. Many parents are wondering if their children should be coming to school. While I cannot say we won't get an exposure at some point, I want to reassure all Cougar families that our school is doing an amazing job. Again, here are the measures we have in place:

1. We have two custodians – Tony and Colleen - who I can honestly say are the best caretakers I have ever seen. They work hard and our school has never been cleaner and more sanitary.
2. Parents and all adults are wearing masks on the playground and in the common areas at all times.
3. Students are wearing masks in common areas such as bathrooms and hallways.
4. Students are washing hands and hand-sanitizing many times a day – especially before and after breaks and before and after using common areas such as the gym, music room, and library
5. Shared devices are being thoroughly cleaned with rubbing alcohol between each use

6. We are still using our cohort system for outside time.
7. Parents are keeping their children home if they are sick at all and being very quick to pick them up if we call to tell them their child is feeling ill.

Please continue to do your part. Please follow the health order from the BCCD. Please postpone or cancel any travel. We are all in this together and Clayton Cougars know how to be CARE for others, it's in our CODE!

**PAC spirit wear order:**

**Thank you to the PAC for putting this together.** The spirit wear looks fantastic and we were really excited to see kids and staff immediately put them on! Not all of the orders went home today – some may be coming home on Monday.

## Remember!!

The next few pages are from a colouring book I was given and allowed to share. Feel free to print and colour for some mindfulness!!
