Squid Game

As many of you may know, Squid Game is a very popular show right now. It is also incredibly violent, graphic, gory, and geared for adults with a Mature rating. It is not advisable for children as it depicts gory violence and sexuality that children cannot process properly, even if they appear to be okay at the time. I urge you to read the reviews on Common Sense Media here: <https://www.commonsensemedia.org/tv-reviews/squid-game>

I have talked to some of our older classes, saying that we are not going to be playing the games or talking about this show at school, as there are many parents who are not okay with the content. I've also told students, many who are saying they've watched, to make sure you as their parents are aware they are doing so. Unfortunately, the show takes regular childhood games and has twisted them. I just wanted to put this out there to you to ensure you are fully knowledgeable about what your kids are watching and can make informed decisions for your own family. We all have different views and tolerance levels for media and there is no one right way to parent; I just wanted you all to have the right info and let you know how we are working through this at school.

We are so excited to have begun meeting at the district level to discuss the opening of Regent Road Elementary in September 2022. There will be many opportunities for consultation and surveys will be coming out to help us hear your questions and get your input. Dates for community information nights with the district planning team, the new Principal of Regent Road, Byron Gammel, our Assistant Superintendent, Shauna Ross, and any community members interested will be coming out soon. All students of Clayton Elementary will be able to move to Regent Road when it opens in September 2022.
