	Grade 6 immunizations  Clayton Community Conversations 6:00pm - 8:30pm at Clayton Heights Secondary School		Kindergarten Vision screens	Cougar Paw gathering 2pm

### Important information on NUT ALLERGIES!

Please know that we have a number of students who are highly allergic to **all nuts – peanuts and tree nuts** (hazelnuts, cashews). They can have anaphylactic reactions even if they touch something that did at one time have nuts on it. **Please do not send any nut products to school including peanut butter and Nutella.** Keep this in mind for lunches and if you are bringing treats into school for a class to share. Thank-you for attention to this serious matter.

### Non-instructional Days:

Non-instructional days are a vital part of our learning as teachers. They are days when we come together as a staff and/or work on research-based learning. Education is ever-changing as the skills needed to be successful in our world change. Teachers need dedicated time to learn new practices and become even better teachers. This Monday, our staff is focusing on three facets of our practice: inclusion practices for the wide variety of learners in our classrooms, our community building focus, and ways to best communicate student learning to parents.

**Consent forms:**

New this year! If we have a signed consent form on file from last year for your child(ren) to appear in the news media, on school or district websites and publications, to use online and digital portfolios such as FreshGrade, or any other annually collected consent forms, your consent status remains in effect at the school. You no longer need to resubmit your consent for the above from year to year. We will only be sending home consent forms for our new students or for those we do not have on file. If you would like to make any changes to your consent for the above items or would like to review the consent you provided last year, please come to the office.

**Cougar Paws:**

Cougar Paw recognition will begin next week. Over the year, students will be recognized for being an amazing Clayton Cougar and get to come to the staff room to meet with Mrs. Fenrick, enjoy a treat, and connect with other awesome Clayton Cougars. This is a time to celebrate all the growth we have achieved throughout the year. These will be hung in the breezeway hall and sent home at the end of the month.

We have one goal: To be a big, happy Cougar Family!!
