Dear Cougar families,

What a fantastic first couple of days. Thank you to all who helped us stay safe by following our physical distancing rules and wearing their masks. It was wonderful to have students in the building again. We missed them!

Teachers were working hard yesterday and today to create the classes and learning groups. On Monday, students will be placed in those official classes and learn who their teacher will be.

4. What to bring:
 - a. **School supplies** if you have them – you can still order supplies from School Start by going online at www.schoolstart.ca. The supply lists are on our website under the Parent tab if you would like to buy them on your own. Please do not worry about having everything all at once or on Monday. Also, please call and talk to the office if purchasing school supplies is a financial burden. We CAN help you out!
 - b. **Snack and Lunch** – Reminder that parents are NOT allowed to drop off food during the day
 - c. **Water bottle** – our water fountains are not going to be open for use, but the water bottle filling stations ARE open

5. Reminder:
 - a. Parents and guardians will not be permitted into the building or classrooms unless there is an emergency. Please call the office at 604-576-6411 if you need anything. If you need to consult with the Principal or a teacher, please contact us, and we can make an appointment to talk on the phone or virtually.
 - b. Any adult on our school property needs to be wearing a mask. Masks for students are recommended but not required for when they are outside of their learning group.

Please know that I am always here to assist you, listen, and work with you in the best interest of all the children. This is a strange year for sure, and I genuinely believe that if we all work together, we can make it a great one.

We're looking so forward to officially starting regular school on Monday. Have a great weekend, and enjoy the sun.

Take care,

Lauretta Fenrick
