Message from Mrs. Fenrick

Thank you to everyone who attended our Family BBQ and Meet the Teacher night last night. It was such a wonderful example of our lovely community coming together to celebrate the start of school and get to know each other. Thank you to all those parents who helped out, we wouldn't have been able to do it without you. A BIG thank you to the teachers and Ms. Copan for planning, organizing and working hard at the event.

Jumpstart – after school program

All students in Grades 4 to 6 are welcome to join the afterschool program, JumpStart. This is an active program that promotes physical literacy and fitness. There will be a variety of activities such as games, sports, dance and even some out trips. Professional athletes are partnered with this program and will be part of the team of mentors and teachers that run it.

Who: All students in Grades 4-6 who would like to join (up to 30 students)

When: Tuesdays and Thursdays – 2:30-4:30

Where: school gym

How: sign up using the registration package – if you do not have one and would like one, please come to the office.

Dates: October 3 to December 8

Other reminders:

Before and After School

Please remember that there is only supervision for 15 minutes before the first bell (8:15 – 8:30) and after the dismissal bell (2:25 – 2:40). While teachers will try to ensure everyone has been picked up before they go inside, it is the parent's and guardian's responsibility to pick up on time. We are a community that cares about your child's safety. Please call the office if extraordinary circumstances are delaying you. Thank you for cooperation on this.
