

Welcome to The Den, Bridgeview Bears !!

... let's see what's going on

November 5, 2021

Remembrance Day is

November 11, 2021
School will be closed
as we observe this occasion

Every year, The Royal Canadian Legion conducts the Poppy Campaign to raise funds in support of Veterans who may be in need. Poppies are distributed freely, but donations are invaluable. Donating to the Poppy Campaign is our opportunity to remember and honour those who have served and keep us safe. You are welcome to send a small donation any time between now and November 11th and we will be proud to forward all collections to The Royal Canadian Legion on your behalf.

Please Remember

Don't miss out on some delicious baked goods, savory appetizers, veggie options and much, much more! **Neufeld online is now accepting payment by credit card!**

We have Great News!

If you've been concerned over the increasing speed of some vehicles as they travel along 115A in front of our school, Ms. Ellis has taken your concerns directly to the City of Surrey.

As such, the City has developed a traffic calming plan for speed humps along 115A Ave. in the school zone. The plan has been reviewed and approved by the emergency services.

The speed humps will be added to next years construction package and should be installed by next summer, however the exact timeline depends on the available funding and resources.

Thank you to everyone for being concerned about our children's safety and, let's all slow down in this very important school zone!

A quick note to parents to watch for Interim Report Cards this week. They will be delivered to you in a variety of ways: through Fresh Grade, a paper report, or maybe through email or a phone call.

A reminder that if your child's teacher is inviting you to come to the school in person, please remember to wear a mask, and make sure you do not have any cold or flu symptoms

Div 2, 3, and 4 were involved in a bicycling program this week!
On Monday, the students attended an in-class workshop, and on Thursday they practised on actual bikes!
What an opportunity!

Volleyball at Bridgeview!

Bridgeview Bears Love October . . .

... And we love Legacy Church!

Every year, except for last year of course, the wonderful people of Legacy Church treat our students to the Pumpkin Patch, Breakfast with Santa, and so much more! Even the little gift boxes your children receive from Santa at Christmas are provided by Legacy. They selflessly give, and give, and give and we appreciate them so much that Bridgeview nominated them for an award for community service. They were chosen to be the recipients of this award! Ms. Ellis had the great honour of presenting the award to some of Legacy's members at our trip to the Pumpkin Patch. Thank you, Legacy, for all you do for the Bridgeview Bears!
