

Virtual Education Program

“Conservation Through Education”

Our Virtual Education Programs offer you and your students a chance to learn about the amazing species of raptors that call BC home and to meet some of OWL's Raptor Ambassadors up close on camera from the comfort of your own home or in the classroom. All that is required is a good internet connection, access to video/sound system (such as on a laptop), and access to conferencing software (Zoom or Microsoft Teams). All programs will align with the Science Learning Outcomes for each grade level, kindergarten to Grade 12.

OWL offers three different options for Virtual Education Programs listed below:

15-minute icebreaker - \$60

- A short introduction to OWL and what we do
- A meet-and-greet with one Raptor Ambassador

40-minute program - \$120

- An introduction to OWL and what we do
- What makes raptors unique
- A short discussion about the dangers they face and how you can help
- A meet-and-greet with one Raptor Ambassador
- Q&A with OWL's Educator

60-minute program - \$150

- An introduction to OWL and what we do
- What makes raptors unique
- A short discussion about the dangers they face and how you can help
- A meet-and-greet with two Raptor Ambassadors
- Longer Q&A with OWL's Educator
