## From your PAC Executive

### **Your PAC executive:**

President – Stephanie van Beusekom

Treasurer – Jennifer Gloeckner

Secretary – Courtney Morimoto

### **PAC Committee members:**

Grade 7 committee – Mina Sahota and Erin Evans

Fruit and Veggie – Jessica Del Rosario and Jeannette Soriano

Fundraising – Jodi Beanblossom

**All parents are part of the PAC and are welcome at any PAC meeting.**

### **Volunteers needed:**

We need some parent volunteers to help with organizing and handing out fundraiser items. The dates we need help are:

- Dec 15 - We will need volunteers in the morning for organizing the Cookie Kits and the Spirit Wear as well for after school - between 2.20pm to 3.15pm to hand out Kits & Spirit Wear.
- Dec 13 to 17 - (unsure of the exact date) we will need volunteers in the morning to help organize the DFS Canada orders that were sent to the school.

There are positions for PAC open and available if anyone is interested. These positions will be open until filled.

### **PAC Executive Positions**

These members will have voting rights for the decisions of the Executive PAC. Members who join are reminded to represent themselves, in person and online, as per the council's constitution, bylaws and code of ethics, in a careful, honest and forthright manner.

### **The open PAC Executive positions are:**

**Vice-President** - part of the Executive PAC and is there to assume duties of the President when they are not available. Assists the PAC with filling in extra duties when needed, is a signing officer with ability to vote in Executive PAC votes, helps with reports & organizing of PAC events.

**DPAC Representative** - Attend DPAC meetings, votes for Clayton PAC at said meetings, maintain DPAC membership & bylaws, relays information from DPAC to the PAC and families of Clayton.

### **PAC committee chairs**

These positions don't have voting rights for the Executive PAC but do have the ability to ask for a vote on their plans and what they feel would be right for the school & families. They do not need to ask permission of PAC to run their committee the way they see fit; but are still part of the Parent Association. These committees are also asked to represent themselves, in person and online, as per the council's constitution, bylaws and code of ethics, in a careful, honest and forthright manner.

**The open PAC committee positions are:**

**Hot Lunch Committee:** This committee deals with finding, planning, organizing and maintaining once a month Hot Lunches, depending on our school's needs, and communicating with PAC members and Clayton Families.

**Fundraiser Committee:** This committee helps plan, execute and organize the fundraising for our school. We don't currently have a designated committee, per se, instead fundraising currently involves everyone on the PAC. Jodi is our fundraising point person, but we all bring and execute ideas together.
