## A Note From Ms.Lee

I want to let staff, administrators, families, and students who worked super hard at school and in the communities to know I appreciate you! As my second year at this school and first year officially bringing a musical production to life from start to finish, my experience in working with everyone has been phenomenal (amazing). Coming out of university as a Secondary music specialist in band, strings, and choral groups, I never imagined myself in what this community has achieved. I look forward in creating more music experience with everyone in the coming days and months. I hope I will continue to be a part of this wonderful community for years to come. I hope these memories we created together will last forever. So, THANK YOU for all the hard work YOU put in this magical production of Star Bucks.

## Dress for the Weather

Living in a rain forest offers many diverse weather conditions. Therefore, it makes sense that we are well prepared to be outside in the rain. It is vital for children to get outside throughout the day for fresh air and exercise. Physical activity has a positive impact on learning.

*Students will be sent outside for recess times (please see below criteria) and should be dressed for the weather. Please send your children with rain jackets, umbrellas, and rain boots to ensure their comfort during our outdoor recess times and the learning time in the classroom afterward. Please send an extra set of clothes in your child's backpack.*

### **Cold Weather & Rainy Days Inside Day**

- *5 degrees or below and raining*
- *Raining very hard (duration and intensity is great) and so windy umbrellas will turn inside out*

### **Cold Weather & Rainy Days Outside Day**

- *Above 5 degrees and raining*
- *Snow Days*

## It's Important To Continue To Take Steps To Reduce The Spread Of Communicable Diseases

Ensure you and your family are taking steps to stay healthy and reduce the spread of communicable diseases, including COVID-19.

Measures for protecting students, staff and families include staying up to date with [vaccines](#), practicing health awareness, and staying home when sick – including if you have a fever, cough, rash, diarrhea or vomiting.

For more information, check the [Provincial COVID-19 Communicable Disease Guidelines for K-12 Settings](#) or the province’s [COVID-19 safe schools](#) website.
