Learn from Dr. Peterson's 40 years of experience in travelling to sixty countries to find the world's most effective parenting practices.

If you are a health care practitioner, parent, caregiver, or are planning to be a parent, this is an event you will want to attend.

Dr. Charlotte Peterson, renowned child psychologist and author of *The Mindful Parent: Strategies from Peaceful Cultures to Raise Compassionate, Competent Kids*.

Thank you, **Dr. Charlotte Peterson**, for your book...I am confident your book will go a long way in benefiting many parents and their children, particularly in cultivating close bonds of love and affection between parents and children.
