

Applying for Principal and Vice-Principal Positions

Please note there is a change to the application process as of January 2022.

Please read the process carefully.

Thank you for your interest in a leadership position in Surrey Schools. We feel very fortunate in Surrey to have such strong educators and we lead in exciting times. No doubt, you have been an exceptional leader from where you already stand, and we welcome your application to lead from a different perspective.

School and district leadership is an exciting adventure. If you want to work with and in support of adults on our continuous journey to create supportive and healthy school cultures for all students, then this is your calling. Formal leadership at the school and the district level requires moral commitment, a high tolerance for complexity and ambiguity, and a passion to serve in the interest of students and staff. It is challenging and rewarding work to support and nurture healthy cultures as we pursue our vision of learning for all.

We are excited to consider your application and we hope find the information and guidance below helpful as you begin the journey of applying for formal leadership in a new role.
