## 2019 - 2020 Fleetwood Park Secondary School Student Registration

As many parents and guardians are aware, the student population at Fleetwood Park Secondary exceeds the capacity of the school, and the enrolment pressure at the school continues to grow. In order to accommodate as many students as possible within the current school site, the school will be accepting registrations in priority order consistent with the school board's regulation #9320.1 (*Registration and Placement of Students*). For the 2019/2020 school year:

1. Students currently attending Grade 7 at Fleetwood Park Secondary Associate elementary school (Coyote Creek, Walnut Road, William Watson) will automatically be enrolled at Fleetwood Park Secondary unless parents / guardians inform their current school otherwise.
2. Fleetwood Park Secondary is currently closed to out-of-catchment registration for the 2019 / 2020 school year (other than siblings of students currently attending Fleetwood Park Secondary). No out-of-catchment waitlist will be maintained.
3. For all other applicants living in-catchment (new to the area, etc.), **an in-catchment waitlist** will be maintained through the following process:
  - a) Parents/guardians can register students in person at Fleetwood Park Secondary beginning January 7, 2019.
  - b) Registrants will be put on a wait list and prioritized according to board regulation #9320.1.

The continued growth in the Fleetwood area remains a challenge for the Surrey School District. Fleetwood Park Secondary will accommodate as many in-catchment students as possible.
