2022 Yearbook Order

Every year the yearbook committee of grade 7 students completes a yearbook for sale. The books are high quality full colour books printed by a professional yearbook company. From kindergarten all the way through grade 7 there are many precious memories in the book. Each classroom has its own 2-page spread. There are also a variety of pages completed to commemorate many of the activities that have taken place over the year. This year the book is 100 pages in total.

There are a limited number of copies available so get your order in early. Last year the books sold out completely. Books must be ordered online at www.schoolcashonline.com — the same place you pay for other school fees. If you are unfamiliar with the procedure to do this you can contact Michelle in the office and she can assist you.

Cost: \$25.00

Order due date: Thursday, May 5, 2022

Office phone number: 604-541-1613

Parent Class Placement Requests

On and before May 30, Rosemary staff will begin our process of placing students into tentative classes for next school year. Each year we strive to create classes which best support student learning and are carefully balanced in terms of our shared criteria.

Classes will be created using a **Universal Design for Learning** model which considers students' needs for universal, targeted and intensive learning supports. Tentative classes will be initially formed using this model, our shared criteria, and without attaching teacher names to classes.

Students are placed using the following criteria:

- Intellectual development
- Social/Emotional development
- Friendships / supportive peers / compatibility
- Strengths, needs and exceptionalities
- Known student history e.g. previous placements and grade combinations
- Study / work habit
- B.C. teacher class size and composition requirements

Rosemary staff work with their professional knowledge of students to carefully consider class placements. Parents may talk further with teachers about placement considerations according to the above listed criteria. Requests for specific teachers are not appropriate, nor considered.

There may be a few families who have specific and confidential information to share directly with Mr. Dekerf, related to the above criteria. Formal letters will be received via email to dekerf_d@surreyschols.ca **before Monday, May 23.**

Student placements are school-based decisions and ultimately the responsibility of the school Principal.

Please don't hesitate to reach out to our staff or Administrative team if you have questions about our student placement process. Thank you for your support as we work to create a positive learning environment for all of our students.
