### Family Groups:

Our five families are:

Colour and Animal
Red Hummingbird
Yellow Sun
Black Eagles
Blue Salmon
Green Earth

Every student in Grades 1-7 are in a family and we met for the first time of the year today! We will be meeting to do learning and other fun activities. These meetings give our students a chance to connect with other students from other grades and teachers that are not their classroom teacher. The more connections students have the more they feel they belong to our community.

On Friday, we are having an assembly to celebrate our week of learning together. We ask that if students already have a shirt in their family colour, could they please wear it on Friday for our assembly. Please do not go out and purchase a shirt if one is not already owned.

### Cross Country:

A meeting will be held this week for all Grades 3-7 students who are interested in joining.

### Community BBQ/Meet the teacher – Sept 19 (4-6pm):

Come and join us for hot dogs, juice and chips – be part of our community – come and meet some new people!

**Call out:** if you would like to hand out some information on a before/after school care or daycare, please email the school to let us know.
