OXFORD LEARNING TUTORING – OCEAN PARK

Oxford Learning's programs put the focus on active learning and critical thinking while we develop academic skills so that students develop an understanding not only of what they are learning but why they are learning it. Active thinking leads to better learning, not just in class, but in life.

SD 36 WOULD LIKE TO SAY THANK YOU TO THESE GENEROUS DONORS...

BACK TO SCHOOL BACKPACKS

City Dream Centre, RBC Foundation, TELUS Community Ambassadors, Saheli Foundation, and CIBC Kennedy Team collectively donated over 3,000 school supply filled backpacks across our district. The donated backpacks will ensure that students have the necessary materials to support academic learning throughout the school year.

BREAKFAST CLUB OF CANADA

\$69,600 was generously donated to support 26 breakfast programs in the district. These breakfast programs provides students with a nutritious morning meal each school day, which leaves them feeling ready, able and motivated to learn.

FORTIS BC

\$10,000 was donated towards the BLAST after school program at Hjorth Road Elementary. BLAST (Bring Learning to After School Time) offers a safe environment and extended learning opportunities for youth to develop skills in various subjects including physical literacy and healthy living.

JUMPSTART

\$10,000 was graciously donated to the District's Summer Jumpstart Academy physical literacy program. The donation allows students at 6 elementary schools to participate in week long camps where students learn fundamental movement skills and the importance of healthy lifestyles.

**RBC FOUNDATION**

\$50,000 was generously donated towards two different pre-employment programs. REACH and the Bike Repair programs each received \$25,000 in support. The Bike Repair program delivers work experience and training to youth in bike technician repair, bike retail sales and cycling safety to youth aged 15-18.

**RIGHT TO PLAY**

\$26,000 was donated to continue the PLAY program at Beaver Creek Elementary. We are proud to partner with Right to Play in delivering this important after school program.

**URBAN SYSTEMS**

\$12,000 donated as we continue our partnership with Urban Systems in providing the BLAST and Attendance Matters breakfast program at KB Woodward Elementary.
