Dear Cougar Families,

Welcome to the 2021/2022 school year! Thankfully, we appear to have a mostly normal school year on the horizon.

School begins on Tuesday, September 7th from 10:00am to 11:00am. This one hour is incredibly important for us to see who will be attending for this year. It is also a good time for us all to ease back into the school setting. If for some reason your child cannot attend that day, please call the office at (604) 576-6411 to let us know your child will be attending our school. I know it is a short hour, but it is a very important one for students to reunite with their classmates and our staff.

Health and Safety Measures

Many of you may have received the video from Dr. Jordan Tinney, our Superintendent which outlines the safety measures in place this year. If you did not, please view it here: <https://vimeo.com/595957425>

Here are some highlights:

To continue from last year:	To return this September:
<ul style="list-style-type: none"> - Mask wearing for all staff - Mask wearing mandatory for students in Grades 4-7 - Mask wearing strongly encouraged for students in Kindergarten to Grade 3 - Hand hygiene – regular hand washing and hand sanitizer - Encouraging all those eligible to get vaccinated - Daily health checks for staff and students - Staying home or going home if sick - Signing in whenever someone is in the building 	<ul style="list-style-type: none"> - Learning groups and cohorts no longer necessary – classes can mingle - Extra-curriculars, sports, teams, and clubs can occur - Parents and volunteers are welcome in the building – by appointment and after signing in with a visitor badge - Gatherings and events (we will proceed slowly and with caution – nothing planned for first few weeks) - Encouraged personal space rather than mandatory social distancing
