## Principal’s Message:

Dear Clayton Elementary Parents and Guardians,

In my first week as Principal of Clayton Elementary I have learned how welcoming the Clayton community is. Parents, it has been a pleasure meeting many of you. I hope to meet all of you as the year progresses. The students have also extended a warm welcome and made me feel at home. I look forward to working, learning and growing together.

The students have been placed in classes as of today. Staff look forward to a year supporting the students through this new journey that awaits them. There are many exciting adventures ahead of us this year.

A new school year is a fresh beginning, opening the door to new learning and growth and we cannot wait to get started!

Sincerely,  
Mrs. R. Bains

## School Supplies

Students will need to bring their school supplies in for Monday. If you need a supply list they are posted on the website or a copy is available at the office. As of today, all students who had purchased supplies through School Specialty have been delivered.

## Nut Aware

Our school is a **nut aware** school. Please make sure to send only nut aware lunches and snacks. There are several students in our school with life threatening allergies. Please make sure other family members who may help with packing lunches is aware of this important restriction.

## Planners

We are ready to distribute planners to students. Planners are an important communication tool between home and the school. The cost of the planners are \$5, payable to the classroom teacher. We are hoping that students can purchase their planners by Friday, September 16<sup>th</sup>. If this is not possible, please speak to your child's classroom teacher.

## Student Information Package

Next week, students will be bringing home a Student Information Package. This package will consist of: Student Contact Verification/Information, Media Consent form, Technology Form, Fruit and Veggie Program consent and Student Code of Conduct. Please read over the forms, sign and send back to the school by September 20<sup>th</sup>.

## School Routines & Rules

In the next coming weeks we will be reviewing rules, routines and procedures.

There will be some upcoming changes for students regarding entering/exiting the school building. I will be reviewing these proposed changes with the students in individual classes.

Additionally we will be having a school wide assembly in the coming weeks to help with this change. We would also appreciate your support as we help the students navigate through this organizational change. Our goal is to ensure student safety and I believe the new changes will help.
