Panorama Park Elementary School

Our students have been divided up into distinct groups for their orientation on Thursday, September 10 & Friday, September 11. We are expecting that students will be in attendance both days. Students have been divided into smaller groups by their last names for the orientation. When students arrive at the school, they will need to find the location where their group is meeting. While waiting for the classroom doors to open, please have the children line up ensuring that they are following the physical distancing expectations and staying six feet apart. The teacher will take attendance and begin their orientation around some health & safety protocols to help keep everyone safe. All students will be dismissed from their designated specific classroom location.
