May 5, 2021

Dear Cougar families,

The district is working with Fraser Health daily on the best measures to take to keep us all healthy and safe. They have deemed that we need to do more to ensure that our students are as physically distant as possible. As you know, since September, we have separated our primary divisions into play zones with two classes in each zone. We now need to move to an even more physically distant model. Starting today, we will have two recesses and two outside lunchtimes.

Groups	Α	В
Intermediate Divisions	1	2
Back Field	3	4
	5	
Primary Divisions	7	6
Front playground – remain in	9	8
zones	11	10
		12

Recess:

10:00 – 10:15 - Group A outside, Group B still working 10:15-10:30 – Group B outside, Group A back working

Lunch:

11:45 - 12:10	Group A	Outside	e Time
	Group	В	Eating time
12:10 – 12:35*	Group Group		Eating time Outside time

*Teachers back at 12:30 – Finishing outside time for Group B and collecting students from outside at 12:35

A few other measures and reminders:

- All parent meetings must be done virtually or by phone; please contact your child's teacher via phone or email if you would like to speak to them
- A reminder that the playground is CLOSED before and after school. Children must remain with their parents, and we ask that you vacate the grounds as soon as you can after school
- Daily reminders of masks, hand hygiene and physical distancing are great coming from home
- We urge all parents in our community to be following the BCCDC guidelines and health orders. We are not out of this yet, and we have had ZERO transmissions in school due to our safety protocols and hard work. We implore all families to help us in this quest to keep us all safe by diligently following the rules.
