Terry Fox Run, 2020 40th anniversary

It's time for annual **Terry Fox run**. As you can imagine, we cannot have all the students running in this important event together. Our planning committee has created a schedule so that each cohort will be running at a different time throughout the day.

Terry's legacy is such an important one for our students. He not only teaches us about giving to an important cause, he teaches about perseverance in the face of many obstacles. Please help us to continue these important lessons with discussions at home.

at: <http://www.terryfox.ca/ClaytonElementary>.

All runs will be recorded and put together in a video for all to see. The video will be published the following week. We unfortunately cannot

ask you to join us on this day as we usually would, and we still want you to participate in this important event.

Thank you to our Terry Fox Run planning team!
