### **Free Métis day camp this summer**

Stream of Dreams Murals Society is a registered Canadian charity that provides the eco-education and art 'Fish on Fences' program in schools. They have partnered with the North Fraser Métis Association to deliver Métis-themed camps for ages 6-12 at Burnaby Lake on Saturdays this summer. Through funding from Fortis BC these are completely free programs and just require pre-registration to join.

Click [here](#) for the poster. Their goal for this program is to educate Métis children about their culture through a variety of traditional activities led by local experts.
