Orange Shirt Day Campaign Design – a Clayton Heights student

A Clayton Heights student was the 2019 winner of the design competition sponsored by the official Orange Shirt Campaign. Last year, interested students were given the opportunity to create their own designs and Vinita Rathod won the competition for this year's choice. A proud moment for Vinita, Clayton Heights and Surrey School District. See this link for the design: <http://www.orangeshirtday.org/contests.html>
