

BUILD A BETTER WORLD WITH US

Technovation Girls aims to equip young women ages 8-18 with the skills to become tech entrepreneurs and leaders. With the support of volunteer mentors, you will work in a team to code mobile apps that address real-world problems in your community. **Join us for the 2023 season!**

Program Begins

Official Program Start Jan. 10, 2023

Milestones:

- Identify a problem to solve
- Conduct research

Milestones:

- Write a mission statement
- Make a paper prototype
- Start coding your app or gathering your dataset

Registration Closes Mar. 22, 2023

Milestones:

- Code your app or train your model
- Sr. Division: start business plan
- Jr. Division: start user adoption strategy

Submission Deadline Apr. 18, 2023

Milestones:

- Debug your app or AI project
- Make pitch & demo videos

Judging & Celebration!
