DISCOVER CANADA'S LARGEST PORT

The Vancouver Fraser Port Authority's school program helps students build awareness about the port, the role it plays, and how it connects to their everyday life.

The 60 minute presentation offers a memorable, interactive and fun learning virtual field trip experience.

The program is specifically designed to support grade four to six students' curriculum guidelines, as outlined by the British Columbia Ministry of Education.

Students will learn about Canada's largest and most diversified port through activities that encourage:

- learning through doing, watching, hearing and reading
- reflection and inquiry
- thinking critically and creatively
- communicating through listening, actions, words and pictures

See what teachers have been saying about our program:

"The presentation was extremely well run: excellent pacing, interactive, informative, and very engaging."

"I was so impressed with this program. Been teaching 25 years and I have to say it was one of the most organized, clearly laid out and interesting field trips I've been on."
