Message from the Admin

We want to send our best to the latest group of students and staff who had to self-isolate. We hope everyone is doing well! As our exposures have become more of an issue, our staff has been meeting to see what we can do to continue to decrease the risk. At tomorrow's Health and Safety Early Dismissal, we will explore implementing zones of play during Recess and Lunch. We will let the students know about the changes next week.

We wanted to send a reminder that nobody should be on wheels (bikes, scooters, etc.) while on school ground from 15 minutes before school up to 15 minutes after school. Please note that this includes the use of Heelys (shoes with a wheel in it). If your child wears Heelys to school, please remind them to refrain from using the wheel portion during school time.

We are approaching the time when we start looking at class placements for next year. As we believe in parents as partners, we are always happy to take parent requests. Please do NOT feel that this is a requirement, but we would be happy to hear any of your thoughts about this. If you have any social, emotional, or academic considerations that you would like us to be aware of, please either talk with your classroom teacher or email: marthacurrie@surreyschools.ca We would ask that this not be about any individual staff members, but, rather, information about your child's needs.

We must stress that all parental requests will be taken seriously, but they must be viewed as **requests**. We have to consider the needs of ALL of our students' best interests when we are putting together classes next year, and it is almost impossible to meet all requests.

We would ask that your input be sent to us no later than Thursday, May 27th.

Finally, we wish the absolute best to **Ms. K. O'Connor** and **Ms. S. Banjac**, as they start their Maternity Leaves next week ☺

Mr. B. Samra and Ms. S. Banjac

CONGRATULATIONS

Congratulations to Violet Storey (Gr. 7, Div. 12) for her winning submission in the Surrey School District's Pride Poster contest!

Violet's poster, along with twelve other selected posters, will be professionally developed and delivered to all Surrey schools in the Fall. Approximately 500 entries were submitted by Intermediate students, so we are very proud to have Violet represent our school.

MAY THE 4TH BE WITH YOU

Martha Currie

Students can wear a costume or a shirt if they have one, or they can act like any of the characters or they can just celebrate everything Star Wars on this day! Remember to use the Force on Tuesday May the 4th!

*Just a quick note about Spirit Days- no special items are needed to be purchased! Simply use what you have already or what you can find around the house (get creative)! Many things can be improvised or made
