## Message from the Admin

Well, we had an interesting start to the day! Many of you will know that the fire alarm went off before school started this morning. It turned out to be a faulty heat sensor, so please know that everyone and everything is safe. Please also know that we tried to send an update notice early this morning, but the District-run school website had issues, so we were unable to do so. The good news is that today is a regular day!

We always appreciate student-initiative, so thank you to **Eli S.** (gr. 5, Div. 6) for his ideas to clean up the Equipment Room. Eli also followed up his ideas by taking time during Lunch to organize some of the equipment.

Some students have been asking about the update on our new Wolves logo, so we wanted to keep parents aware as well. Due to circumstances outside of our school, the logo is not yet ready. As soon as it is ready to present, we will showcase it.

We offer joyous congratulations to our Head Secretary **Ms. R. Wolshlager** on the birth of her third grandchild. **Baby Kenzy** was born on Tuesday.

With this cold snap, we want to remind our families to please have your students dress for the weather.

As Monday is the Family Day holiday, we would like to wish all of our families a safe and happy long weekend. Gung Hay Fat Choy on Friday 😊

Mr. B. Samra and Ms. S. Banjac  
(Principal) (Vice-Principal)

## Before and After School Care

Instead of families lining up at all hours of the morning at the Rec Centre, we will now be providing an emailed survey for our **returning families** and an over the phone registration process for any **new families** looking for care.

**Returning family registration** at Martha Currie will be done by emailed survey on **March 4<sup>th</sup> beginning at 8:30am**. Any **New families** will need to call 604-502-6400 to register on **March 9<sup>th</sup> beginning at 8:30am**.

Please let me know if this is a possibility or if you have any questions.

Kind regards,

Christine Evans | CSA - Before and After School Care
