Message from the Admin

Thank you to the parents who joined the virtual PAC meeting on Tuesday. Please remember that all of our parents are a part of PAC and are always welcome to join the meetings.

Merci to the students in **Mme Hauschiltdt/Mme Iarkov**'s class for running our monthly assembly this week. They gave a lot of information in honour of Black History Month.

It was great seeing so many of our students and staff wear pink yesterday in recognition of anti-bullying. Our school respects diversity and will continue to honour the SOGI part of our curriculum.

We thank you (again) for your patience, as the City does work on 184 Street. We have been told that there will be working cross-walks at both walk-ways in front of the school. While it is very inconvenient for now, we are extremely happy, as we have been advocating for this and it will be safer for our kids.

Grade 7 Parents, please note that the high schools are starting their articulation process soon. Please look for information from your class teacher.

Mr. B. Samra and Ms. S. Banjac

DAILY HEALTH CHECK

As part of the work being done to update Surrey Schools COVID-19 Safety Plan to reflect recent changes to the BCCDC and Ministry of Education guidelines, new versions of the **Daily Health Checks** are being introduced. The Ministry of Health has also provided families with an additional resource, the online [K-12 Health Check](#).

STUDENT DAILY HEALTH CHECKS

A reminder that we encourage parents to use the **K-12 Health Check** when their child is experiencing symptoms of illness. The above webpage also includes a link for parents to download a **K-12 Health Check Mobile App**.
