Message from the Admin

We did it! In this incredibly challenging year, we are so proud of how well our Martha Currie community did. Parents, we thank you for respecting our protocols and working with us to keep everyone safe. As well, thank you for supporting our school in any endeavours we engaged in. We also want to give a huge thank you to our staff for their never-ending professionalism. They made sure our students were engaged and got to experience as much as we could offer. Finally, the biggest thanks to our students! As we had to make adaptations over the year, the students just rolled with it and continued to give back the energy needed to keep going. It was a truly great year, and everyone has earned your upcoming break!

Thank you to **Eli S.** (Gr. 5, Div. 6) for his hours of work to put together our school's year-end video. Thanks also to **Ms. E. Wagner** for her support with the video.

All the best to **Mr. M. Shortridge** when he gets married this summer ☺

We want to give a special congrats to **Ms. Karen Epp** on her retirement. Ms. Epp has been at MC since its inception and has contributed endlessly to the school over the years. She has earned everyone's respect, and we are thrilled that she gets to enjoy this next stage. We know we will see her around, but we still offer her nothing but the best going forward.

We want to offer the absolute best to our grade 7's! We are so proud of how well our leaders have tackled this year, and we were happy to give them a special send-off yesterday. All the best in high school!

To all of our students who will be leaving Martha Currie, we wish you happiness in your new school. To all of our returning students, we hope you get to enjoy a restful and safe summer, and then we will see you on September 7th!

Mr. B. Samra and Mme S. Christmas
