Message from the Admin

Well, that was another flash of a term! With so much happening at our school, these months seem to fly. We welcomed our new VP, re-jigged classes with returning Blended students, and dealt with faulty alarms, a broken water main, and City work on 184 St. We were also happy to offer virtual assemblies celebrating various cultures, cohort basketball, Spirit Days, Big Brothers/Sisters mentoring, and a virtual dance program for most of our classes. While dealing with COVID, our staff continued to do amazing work to engage our students!

In term 3, our staff will be starting school-wide reading assessments. We are excited to start this as part of one of our school goals. If you have any questions about it, please feel free to contact your classroom teacher.

We mentioned previously that the City will be installing crosswalks in front of the school. However, please note that we do not have a timeline, so we are not sure when that will happen.

Tomorrow is our spirit "Green Day" in honour of St. Patrick's Day. All students and staff are welcome to wear green.

We do not anticipate any major changes to the education system over the break, but if there is any new news, please check your emails! We will update families with any significant information that may surprise us.

We would like to wish all of our families a safe and happy Spring Break! We are very proud of how hard our students are working during this unusual time, so they deserve a good rest. See you on the 29th.

Mr. B. Samra and Ms. S. Banjac
(Principal) (Vice-Principal)
