Message from the Admin

We are getting close to choosing a new logo template for the Wolves name. All students have had the opportunity to vote on student submissions this week. We will be connecting with a professional artist to put the final touches on the winning logo.

As the weather continues to take a down turn, we wanted to remind everyone to always be prepared for outside days. Also, if you live close enough, please feel free to walk to school, as we all know how busy 184 Street gets before and after school.

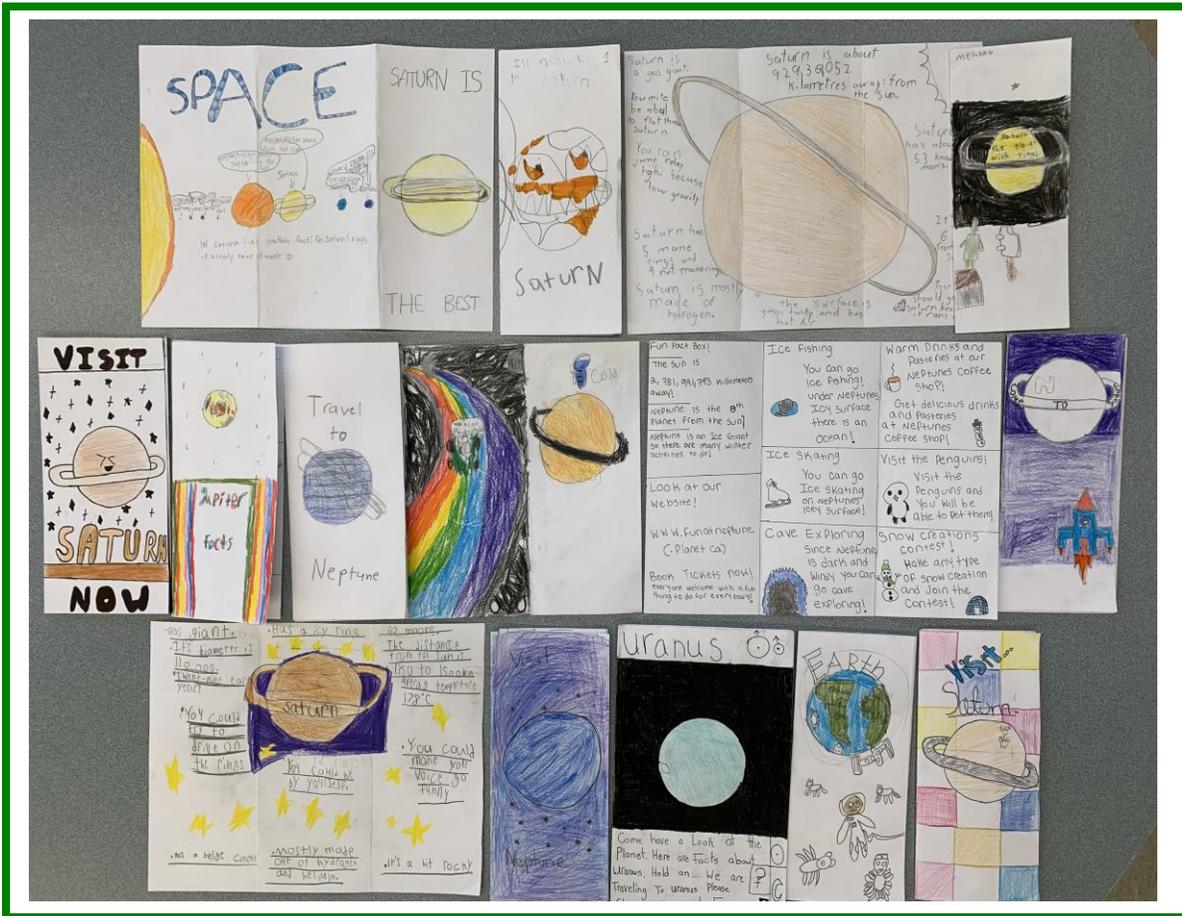

Throughout the month of November, Divisions 1- 4 have been working on some acts of kindness for our local Legion. Many of the students have been learning to crochet and are in the process of making crocheted scarves to donate. Other students are making cards with words of thanks and appreciation for the Veterans.

Our next Spirit Day is on Wednesday. Students and staff are welcome to support Mustache Day.

Blended Learning Families are reminded to please complete your January plans survey by Friday next week.
