Did you know that our staff goes through annual Netting Meetings? This is a chance for a school-based team to speak about every single student in the school. We did this last week, and it was a great way to see where our students are at to start off the year! We are so impressed with how well our teachers know their students already.

Our soccer teams made us very proud this season. Thank you to all players for working so hard throughout the season. Thank you also to our coaches: **Mr. J. Rettig** with Mr. Samra co-coaching (Boys team) and **Mme N. Keogh** and **Mr. S. Vuilleumier** (Girls Team).

It was fun to see so much spirit with our Canucks Day yesterday!

We recognize that families are starting to think about Halloween costumes. Our staff is still working out plans, but please know that costumes will be allowed on Oct. 29. Please remember that no replica weapons are allowed.

Since the mask mandate came to be, we have appreciated how well our community has responded. However, we find that we are still handing out a lot of masks at the office. While we will continue to do so, we are hoping to curb the number of kids that ask for it. Please remind your child(ren) to bring their masks daily, unless they have a medical exemption.

Next Thursday, interims will be sent home for most of our students. For some students, your classroom teacher may connect with you in a way other than a paper report. Either way, you will get a sense of the path your child is on.

Div. 18 – Repeating Patterns in Art

Div. 25 - Pumpkin Heads

Reminders

Please make sure your child is coming to school with a water bottle. We discourage the use of the drinking water fountains, but we encourage all students to use the dispenser for their water bottles.

Also, please remember to send along a fork/spoon with your student as well.
