### Leadership, Team-building and Outdoor Learning.

Operating out of YMCA Camp Elphinstone on B.C.'s beautiful Sunshine Coast, our Outdoor Education program is designed to get youth active and learning outdoors. With fresh air, open skies and a diverse ecosystem, the Pacific Northwest is an ideal environment for experiential education.

SD 36 receives a fee to facilitate the distribution of advertising materials from some community organizations and businesses. SD 36 does not accept responsibility or liability for the contents of any advertising and does not endorse an advertiser's services, goods or programs.

**Programming is customized for each group and designed to fulfill BC Ministry of Education prescribed learning outcomes.**

In addition to our robust outdoor programming, we are excited to introduce leadership development sessions as an option for high-school students. We offer a variety of interactive leadership sessions that focus on conflict resolution, group dynamics, public speaking, and more.

We also have age-appropriate programming options, specifically to challenge high-school students, such as the Aerial Trust Dive and Flying Squirrel, while still having opportunity to enjoy camp classics, like kayaking, archery, and campfires.

**Location:**

YMCA Camp Elphinstone  
1760 YMCA Road  
Gibsons, B.C. V0N 1V6
