## ROOTS (GRADE 8-10)

For youth completing grades 8-10, Roots is the first level of The YES programs, focusing on bringing together youth from all over the province and creating a strong, supportive community with everyone involved. Focusing on the values of self-awareness, communication, leadership and co-operation, these retreats are a powerful introduction to co-operative youth leadership in a stimulating wilderness setting.

## PATHWAYS (GRADE 10-12)

Pathways is designed for returning campers finishing grades 10-12, as well as new campers finishing grade 11 or 12 who are ready to jump in to our advanced program. Pathways is the next step up from our Roots programs. Participants take on greater responsibility and are challenged to expand their leadership, self-awareness, and team building skills in a spirit of fun and friendship.
